Dear Respected Loving Mr. David and Mrs. Luisa David Giannavola,

Greetings from Fr. Joy Ashok HGN from India. I am just back from Tanzania from all my hectic schedules. I believe and pray that after your busy marriage schedules you and your newly married husband, whom you call and love as wonderful human being, are having some free time to enjoy your love-life.

My Dearest Lu, I met you first in 2006 at Iringa in Tanzania at a function in a Parish (Ipagolo). It was a friendship at first-sight. Now 17 years are gone after meeting you for the first time but your love and support to me and my ministry is at its best as ever. You are so much part of my ministry to the extent that I share all the needs of my mission and ministry through emails or WhatsApp messages and your advice, suggestions and support are always incredible.

I appreciate you for helping Claudia to complete her B.sc Nursing a 4 years course. By God's grace she will complete it next academic year. She and the family are ever indebted to you. They pray for you endlessly for being at their side at this crucial time of their daughter's studies. I too thank you sincerely for helping her. She is a truly deserving child.

More important still, with my sentiments of compliments and appreciations to you from the bottom of my heart, I thank you for choosing to help **JESUS FEEDS**, a scheme for feeding the mentally challenged poor orphans on the roads of India and the house bound helpless sick people abandoned by their own kith and kin. When I explained about this program to you, you responded positively and helped through your organization **TUMAINIONLUS** last year with Euros 3000 and this year with Euros 7300.

What makes me more emotional is that you dared to request all those guests who turned around you to bless and pray for you on the memorable day of your marriage to donate towards **JESUS FEEDS** and collected Euros 7300 for feeding the poor. If you wished, you must have used this money for a happy trip with your husband David to a tourist place for your Honeymoon. But you proved by this kindest gesture that your heart whether your happiest and saddest times only beats for the poor and needy.

You are born with your love for the poor and needy. My sincere thanks for all that you do for all the poor throughout the world. We the poor missionaries of Heralds of Good News wish you a happy married life and we pray for you and all your friends especially David, his family, Josephee (your brother) Anita his wife, Claudia and the children. I unfailingly pray for Mom. I remember her true mother's love when I stayed with you

at Caltanissetta and Dad for his Fatherly love of giving his studio for me to stay in. May their souls rest in peace. I too pray for Zia for the delicious meal we ate at her apartment. I pray for them to rest in peace.

Lu, I love you for all that you are to me. I go to Tanzania again in few days' time to start a new mission. I am happy to tell you that after completing my office as Provincial Superior in July 2024, I will be back in Tanzania as a Missionary. I will wait eagerly to see you there along with David. I LOVE YOU LU AND MISS YOU SO MUCH. My human words are insufficient to thank you for all that you do and have done to me so far. Live Long Lu to bless and to support many more poor people as you do now. Praying for you..... Welcome to India before I go to Tanzania.

Yours affectionately

Fr. I.R.S. Joy Ashok HGN
